

APPROVAL OF SERVICE SUPPLIERS

Certificate no.:
AOSS0000GMW
Revision no.:
3

This is to certify that

Caldive Ltd

Invergordon, United Kingdom

is granted acceptance for

In-water survey by diver and remotely operated vehicle , in accordance with Class Programme DNV-CP-0628.

This service supplier certificate will be accepted for use with all rule sets published by DNV.
See the following page(s) for details regarding application.

This Certificate is valid from **2026-02-10** to (inclusive) **2029-02-09**.

This Certificate is issued on **2026-04-08**.

for **DNV**

Weglinski, Miguel

This Certificate may be withdrawn if:

1. The service provided has been improperly carried out or the results improperly reported.
2. The surveyor has found any deficiencies in the accepted operating systems of the service supplier.
3. The firm has failed to inform of any major changes having effect on the quality of the service rendered.
4. The conditions listed in the certificate are changed and/or are not fulfilled.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and their subsidiaries as well as their officers, directors and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to USD 300 000.

Application:

A03 - In-water survey of ships and mobile offshore units, in accordance with Class Programme DNVGL-CP-0484.

Remarks:

This Certificate covers inspection by diver or ROV.

The enclosed Certificate is based upon the following conditions:

1. The Requirements stated in Class Programme DNV-CP-0484 and DNV-CP-0628 continue to be met. The Approval is conditional upon the firm maintaining the audited scheme and notifying DNV of any significant changes in personnel, equipment or procedures.

2. The survey with diver or ROV shall provide the same results as for any ordinary survey performed in drydock. The survey shall be conducted under DNV supervision and attending surveyor may request additional inspection depending on the outcome of the survey. For bottom surveys afloat the requirements shall be observed in following rules:

- Rules For ships, Pt.7 Ch.1 sec.5 1.5.
- Rules For Offshore units, DNV-RU-OU-0300 Ch. 3, Sec. 2 in combination with DNV Offshore Technical Guidance DNV-OTG-08.

3. It is the obligation of the firm to follow their approved training programmes and assign the tasks to the qualified personnel as required for each service category and approved by DNV.

4. Company is to arrange a kick-off meeting with DNV Attending Surveyor in sufficient time of the job commencing to address:

- Inspection plan review,
- Diving and equipment limitations, cleaning tools,
- Class and Flag approval strategy, when applicable.

5. The following ROV equipment may be used:

- Deep Trekker Revolution ROV
- Seaeye Falcon (from partner company)

Any other ROV equipment is subject to case by case agreement with the attending surveyor.

6. Acceptance for remote monitored inspection is not covered by this approval and should be discussed with the attending surveyor on a case by case basis; and in any event remote link should be demonstrated before commencement of the inspection.
